

Name : Sasikumar M

Project : WireFrame

Title : Blood Bank Management System

Sprint : 1

1.

Wireframe 1 shows the initial Donor Login page. The header is red with a circular logo placeholder on the left, the text "BLOOD BANK MANAGEMENT" in the center, and a hamburger menu icon on the right. The main content area is light gray and features the title "Donor Login" in red. Below the title is a white login box containing three input fields: "E-Mail", "Password", and a "Sing In" button. Below the login box is a rounded button labeled "Donor Registration". A solid red footer bar is at the bottom.

2.

Wireframe 2 is an updated version of the Donor Login page. It includes the same header and main content area as Wireframe 1. However, it adds a navigation menu in the top right corner, accessible via the hamburger menu icon, containing the links "Admin Login" and "About Us". The "Sing In" button in the login box and the "Donor Registration" button below it are underlined, indicating they are clickable links. The footer remains a solid red bar.

5.

The image shows a web page for "BLOOD BANK MANAGEMENT". The header is red with a circular logo on the left containing the word "logo", the title "BLOOD BANK MANAGEMENT" in white, and a hamburger menu icon on the right. The main content area is light gray and features the heading "Donor Registration" in red. Below this, a large gray silhouette of a person is centered, with the text "Registration Successfully" and "Completed ..!!" in red overlaid on it. At the bottom of the gray area, there is a button labeled "Go With Donor Login Page". The footer is a solid red bar.

6.

The image shows a web page for "BLOOD BANK MANAGEMENT". The header is red with a circular logo on the left containing the word "logo", the title "BLOOD BANK MANAGEMENT" in white, and a user profile icon on the right. The main content area is light gray and features the heading "Search Donors" in red. Below this, there are four dropdown menus arranged in a 2x2 grid: "Blood Group", "State", "District", and "Area". At the bottom of the gray area, there are two buttons: "Back" with a left arrow and "Submit". The footer is a solid red bar.
